This Bulletin is neither a contract nor an offer to contract. Louisiana State University Eunice reserves all its rights to make adjustments and changes as it deems necessary without prior notice. The University reserves the right to cancel any courses in which there is not sufficient enrollment. Should a class be canceled after you enroll, you may add another course during late registration/schedule adjustment period at the beginning of each semester. If you have no alternate course preferences, we will give you a full tuition refund. Allow six to eight weeks to receive the refund.

BULLETIN PROVIDES VITAL INFORMATION

Next to the Catalog, your LSU Eunice Course Schedule & Registration Bulletin may be the single greatest piece of resource material available to you! While the Catalog may tell you everything in general about LSU Eunice, the Bulletin tells you “everything you need to know but are afraid to ask” about the spring semester. Look over the Bulletin carefully, print out a copy, and be sure to bring it with you when you come for advising and registration.

If you are currently enrolled at LSU Eunice, please take advantage of early registration to reserve your seat in a full array of classes. Before early registration begins, you should make an appointment with your advisor to discuss your academic goals. Please check myLSUE to view your advisor’s information.

MEET WITH YOUR ADVISOR BEFORE REGISTRATION

All students are strongly encouraged to meet with their academic advisors before Early Registration. Academic advising is more than just a time to schedule next semester's classes; it is a decision-making process in which you get advice on your long-term plans for your future. Your advisor will also clear you for registration. You will not be able to use the myLSUE computer web-based registration system until your advisor has cleared you to register. You can meet with your faculty advisor during your advisor’s posted office hours. If you are a new, re-entry, or transfer student and need to attend orientation you will meet with an advisor at that time; otherwise, you need to schedule an appointment with your advisor prior to registering.

ACCREDITATION

Louisiana State University Eunice is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Associate Degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Louisiana State University Eunice.

APPLICATION FOR ADMISSION

To apply online, visit the web site at http://apply.LSUE.edu. Once the application is completed online, applicants must submit a $25 fee before the Office of Admissions can process their applications. The fee can be paid either in person, online, or by phone using a credit card (337-550-1262), or by mail to LSU Eunice Business Office, P. O. Box 1129, Eunice, LA 70535.

When you complete an application online, you will be able to:

• Apply for admission
• Waive the requirement to submit immunization information
• Sign a provisional admittance form
• Pay your application fee.

An applicant must have a valid email address to apply online. Applicants who want to complete a traditional paper application may obtain one from the Admissions Office (337-550-1305).

REGISTRATION ASSISTANCE FOR STUDENTS WITH DISABILITIES

Students with disabilities who need help with registration may request assistance from the Office of Academic Assistance (Student Support Services), provided the following conditions are met:

• Student Support Services must be provided with documentation of a disability warranting accommodation and a completed Student Support Services application at least three University business days before the student reports to register for classes. (In cases where evidence of disability is readily visible to staff members, written documentation is preferred but not essential.)
• The student must notify Student Support Services of the need for registration accommodations and must discuss the exact nature and degree of accommodation with the Coordinator of Student Support Services no less than three University business days before reporting to register for classes (except in the case of a genuinely unexpected emergency).
• During the discussion of accommodation with the Coordinator, the student must establish a time for registration and must arrive promptly to register at the specified time.

PROOF OF IMMUNIZATION

Louisiana Law requires that all first-time LSU Eunice students who were born after 1957 provide proof of immunization against measles, mumps, rubella and tetanus-diphtheria prior to registration for the initial term of enrollment. New students are provided a PROOF OF IMMUNIZATION COMPLIANCE FORM at the time of admission. The form should be completed and returned to the Office of Student Affairs and Enrollment Services located in Acadian Center Room 112.

REQUIRED MENINGITIS IMMUNIZATION

At this time Louisiana law requires all students entering any university for the first time, any students living on campus, and any transfer students to be immunized against meningitis unless a waiver is signed.

Meningitis is a fatal bacterial infection. When it strikes, its flu-like symptoms make diagnosis difficult. If not treated early, it can lead to accumulation of fluid surrounding and inflammation of the brain and spinal column as well as severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputation, and even death. Symptoms may include headache, fever, stiff neck, extreme tiredness, vomiting, sensitivity to light, and rash of small purplish black-red dots.

Contact your doctor immediately if you have these symptoms. If you are a first time student, a transfer student, or a student living on campus, please (1) submit proof of inoculation for meningitis or (2) provide a signed waiver. If you are under the age of 18, your parent or guardian must sign the waiver also. This process must be completed before you are eligible to register for classes. Please send the appropriate documents as soon as possible to the Office of Student Affairs and Enrollment Services (Room 112, Acadian Center), LSU Eunice, P.O. Box 1129, Eunice, LA 70535 so that you enroll for classes this semester.

GENERAL FINANCIAL AID INFORMATION

LSU Eunice administers a broad program of financial aid including grants, loans, and employment to help deserving students who need financial assistance to attend the University. In order to apply for financial aid, you must complete the Free Application for Federal Student Aid (FAFSA). The application can be found at http://www.fafsa.ed.gov. Students attending the Spring 2012 semester will need to complete the 2011-2012 FAFSA. The priority deadline for spring is October 1, 2011. All supporting documents should be submitted well in advance of the priority deadline date to ensure a response to your application request and availability of funds at registration. Failure to do so can result in having to pay all or most college expenses out of pocket.

You will be able to monitor your financial aid file progress and to accept your award on-line through your myLSUE account. This has eliminated the need for mailing requested documents and the mailing of paper award letters. This will allow you to print requested documents at home and to accept, decline, reduce and print your financial aid award on-line.

Students who fail to begin attendance in all their courses by the 14th day of class for a regular course or the 7th day of class for an accelerated course may have their financial aid reduced or cancelled. If you transfer from one school to another, your financial aid does not transfer with you. To receive aid at LSU Eunice, check with the Financial Aid Office as soon as possible to find out what programs are available and what steps you must take. When you transfer, your eligibility for aid must be recalculated and reprocessed by the LSU Eunice Financial Aid Office.

FEE PAYMENT FOR STUDENTS WITH FINANCIAL AID OR SCHOLARSHIPS

Once a student has completed the registration process, if you have a Fee Bill with financial aid/or scholarships listed, you may use the applied amount of the Fee Bill to financially clear your account if the amount of aid listed is greater than the tuition. You must electronically clear your fees on-line through your myLSUE account during the fee payment periods. The Business Office will accept a signed fee bill from the student. You must sign the permission statement and return it to the Business Office during the fee payment periods. The Business Office will accept only the original fee bill. Students must meet the fee payment deadlines established by the Business Office.

Any scholarships, TOPS, and/or federal aid funds that remain after payment of required fees will be mailed to the student in approximately 4 to 6 weeks after the semester/session begins.
BOOKSTORE - TEXTBOOK REFUND POLICY

Students must present a picture ID and a current semester cash register receipt to return items.

1. Book refunds are given the first five class days for the spring semester.
2. Books must be returned within the refund dates in the condition in which they were purchased to receive a 100% refund—free from writing, stains, markings, or damage. Any over-wrap present on the book when originally purchased must be intact, and all contents must be returned.
3. If a book is not in an absolutely new condition, it may only be refunded at a lower rate and only if it is a book the Bookstore needs for a future semester.
4. After the refund period, all book returns come under the provisions of the Buy-Back Policy (see below).

BOOKSTORE - BUY BACK POLICY

The Bookstore reserves the right to determine quantities and titles of books purchased. Books containing disks, CDs, password cards, loose-leaf pages, perforated pages, or exercises that have been worked may not be purchased.

1. Students resigning after the last day for refunds can sell their books to the Bookstore for up to 50% of retail price, providing the book is a book the Bookstore needs for a future semester. Students must present a current semester cash register receipt, a picture ID, and a completed resignation form no later than five days after their resignation.
2. All other purchases will be made at the end of the semester. Used books (needed by the Bookstore) will be bought for up to 50% of the retail price. After the Bookstore has purchased the quantities needed for a future semester, books may be sold to the Bookstore at wholesale prices to be forwarded to a used book company. Textbooks will be purchased during the final exam period.

BOOKSTORE - DEFECTIVE BOOKS

Please check books immediately for defects. Books must be returned to the Bookstore as soon as the defect is discovered. Students must present a current semester cash register receipt.

BOOKSTORE - REFUND OF OTHER ITEMS

Refunds on supplies or clothing will be made only if the item is returned unused within one week of purchase. The item must be unopened and in the original packaging.

ID PHOTOS

Student ID photos will be taken by the Office of Information Technology (Manuel Hall Room 105) at posted times. In order to obtain an ID card, students must have paid their fees, present a photo ID (for example, a driver’s license), and present an LSU Eunice document indicating their LSU Eunice student ID number. The first ID card is free. Replacement ID cards are $5. The student photo ID card is required to conduct business in several campus offices, including the LeDoux Library, the Business Office, the Bookstore, and the Office of Information Technology. Students must also present their ID card to gain admission into campus activities, including events sponsored by the Office of Student Activities, athletic events, and the Recreation Center. ID cards are required for printing in all labs.

LIBRARY HOURS

The Arnold LeDoux Library will be open the following hours: Monday–Friday 8:00 am–4:30 pm. Check with the Library for holiday hours and notices about extended hours. You can call 550-1384 or check http://www.lsue.edu/library. After normal operating hours, on holidays and weekends, the library’s electronic information and “e-content” resources are always available. Instructions on accessing these resources, utilizing the LSU Eunice ID card, as well as other information about the library and resources, can be located at the following web address http://www.lsue.edu/library.

NOTE: The LSU Eunice ID card is essential for remotely logging onto these electronic library resources anytime and from any place.

ORIENTATION/REGISTRATION

Orientation/Registration offers incoming students a chance to learn about the university and meet with staff from key campus departments. It helps ease the transition into college life by providing vital information and opportunities for interaction with students, faculty, and staff. Students can also have their ID cards created, visit with an academic advisor, and register for classes.
Orientation is MANDATORY for the following: first-time freshmen and re-entry or transfer students who have earned less than 24 semester hours. Upon being admitted to LSU Eunice, students can register for Orientation/Registration online at http://www.lsue.edu/orientation. There is a $15 Orientation fee.

Parent and Spouse Orientation – LSU Eunice Campus Only
Parents and spouses of Orientation students may attend Orientation at no additional charge. They will have the opportunity to attend a separate program to learn about the university. Representatives from various university departments will meet with parents and spouses at a special information session designed just for them.

STUDENT SUPPORT SERVICES
Students who want to sign up for tutoring, supplemental instruction, accommodated assistance for students with disabilities, financial aid assistance and fee stipends, personal and academic counseling, two-year/four-year transfer assistance, and other support services need to fill out applications during early registration. Applications are available in Rooms 150 or 152 of the Science Building or from the Academic Support Center, Room 145 of the Science Building.

During all orientations, interested students should stop by the Student Support Services’ table in the Acadian Center to complete the application after they have met with their faculty advisor.

COURSE SUBSTITUTIONS
A waiver of no more than two course requirements (six semester hours) may be made in a LSU Eunice associate degree curriculum. No substitutions may be made for the English and mathematics requirements specified in the general degree requirements listed in the current LSU Eunice catalog. When the courses in question are from the humanities, social sciences, or natural sciences, another course from the same general areas must be substituted. A classification of academic disciplines is provided below.

- **Humanities:** Communication Studies, English, Foreign Language, History, Mass Communication, Philosophy
- **Fine Arts:** Art, Music, Theatre
- **Social Sciences:** Anthropology, Political Science, Sociology, Psychology, Economics
- **Natural Sciences:** Biology, Botany, Zoology, Chemistry, Physical Science, Physics, Mathematics, Microbiology

WITHDRAWAL GRADES
A grade of “W” will be entered on the student’s record for any course dropped within the dates specified in the academic calendar for that semester. After that time, students may not drop courses unless authorized to do so by the Vice Chancellor for Academic Affairs. This regulation applies to all courses dropped when a student resigns from the University.
“I” GRADES

Work which is of passing quality but which, because of circumstances beyond the student’s control, is not complete may be marked “I” (incomplete). An “I” grade is given only upon receipt by the instructor of appropriate authorization from the Office of Academic Affairs. If authorization is not received, the instructor is to consider that the delinquent work is of failing quality and an “I” grade is not to be given. It is the responsibility of the student to initiate the request for an “I” grade.

A grade of “I” will be converted to “F” unless it is removed prior to the deadline for adding courses for credit in the next regular semester as published in the University Calendar. In extraordinary cases, the Vice Chancellor for Academic Affairs may authorize an extension of time for removing the grade or the Chancellor may authorize that the “I” grade become permanent.

CREDIT FOR REPEATED COURSES

When a student, having taken a course in the LSU System, is permitted to repeat the course in the LSU System for credit, the latter of the two grades earned shall be the one which determines acceptability of the course for degree credit. All instances of repeated courses are included in grade-point average calculations; however, credit will be awarded only for the last repetition. A student may not repeat a course in which a grade of “C” or better has been earned unless the catalog description indicates that the course may be repeated for credit or the Vice Chancellor for Academic Affairs approves the repetition for some special reason. If a student registers for a course in violation of the above policy, the student may be denied degree credit for the course. A student may not repeat a course for which the LSU Eunice grade of record is an “I.”

Students who receive a grade of “F” in a course must repeat the course in the LSU System in order to receive credit for it. With the concurrence of the head of the department in which the course is given, the Vice Chancellor for Academic Affairs may make exceptions in individual cases.

AUDITORS

A student may be admitted to classes as an auditor by obtaining written permission from the Vice Chancellor for Academic Affairs. Auditors will not receive University credit, nor will they be permitted to take an advanced-standing examination on work audited. Courses taken for audit may not be used to fulfill degree requirements or to maintain financial aid eligibility. However, courses previously audited may be later taken for credit. Changes from “credit-to-audit” or “audit-to-credit” must be made prior to the deadline for adding courses or making section changes.

ACADEMIC BANKRUPTCY

Under specified conditions, undergraduate students who have interrupted their college careers for a period of at least five consecutive calendar years may, at the time of application for admission to the University, declare academic bankruptcy. Under this policy, all previous college-level work is eliminated from computation of the grade-point average and cannot be applied toward a degree at LSU Eunice. Such work, however, will not be removed from student’s scholastic records and transcripts. Students qualifying for academic bankruptcy are admitted on scholastic probation. Students may obtain details on this policy from their academic division head or the Admissions Office. The spring semester deadline to apply for academic bankruptcy is January 27, 2012.

AMERICAN COLLEGE TEST (ACT)

The American College Test is administered annually on five national testing dates. ACT scores are used in placing students in English, mathematics, and other classes as listed in the LSU Eunice Catalog. LSU Eunice is a national test site. Test-takers may use a calculator on the mathematics portion of the test.
TRANSFER COURSE AGREEMENTS

LSU Eunice has written transfer agreements with the University of Louisiana at Lafayette and McNeese State University specifying which LSU Eunice courses are equivalent to courses at those institutions. Check with your advisor for details. LSU Eunice course numbers parallel the course numbers in the catalog of LSU A&M in Baton Rouge.

For additional information on transfer credit, check the Louisiana Board of Regents data & publication’s master course articulation matrix (transfer guide). These matrices indicate transfer equivalencies of courses among Louisiana’s public colleges and universities and may be accessed through the Board of Regents’ web page. The listing of courses in the matrices is not all-inclusive. There are courses that articulate between campuses that are not listed in the matrices. Students who want more information about the transferability of courses for academic credit in general or credit toward a specific degree program should contact the appropriate member of the statewide articulation council as listed on the Board of Regents website or the Registrar’s Office.

PATHWAYS TO SUCCESS PROGRAM

“Pathways to Success” is a program designed to enhance students’ freshmen-year experience. Students participate in a one-year program of study focusing on college success skills, mathematics, and English. Students are notified by letter and registered for classes through the Office of Developmental Education. Developmental studies advisors will be available during new student orientation. Orientation to LSU Eunice and to the program is mandatory; please call 337-550-1433 for dates and times. Students wishing to place out of the Pathways to Success program must take the ACT exam and obtain a composite score of 16 or higher prior to their first semester of attendance.

MATHEMATICS 0001/0002 PLACEMENT ASSESSMENT

Mathematics assessment schedules are just prior to each of the scheduled orientation dates. Electronically reserving a seat for orientation automatically reserves a seat for the mathematics assessment, if applicable.

Any student with an ACT mathematics score of 18 or lower is required to take a one-half hour assessment prior to the first semester of attendance. The purpose of the assessment is to validate the student’s placement in MATH 0001 or MATH 0002. Students who score an 18 or less on the mathematics portion of the ACT and wish to remain in MATH 0001 need not take the test. However, students who wish to enroll in MATH 0002 must take the assessment and achieve a score of 41 or above prior to classes beginning. Math assessment is not offered once classes begin. Students wishing to enroll after the last published assessment date will be placed into MATH 0001.

Please note the following:
- The assessment test may be taken only once
- Calculators are not permitted
- The assessment result will not affect the placement of students in any other mathematics classes or those students who scored at least a 19 on the mathematics portion of the ACT
- Mathematics assessments will not be given once classes begin
- Students must present their LSU Eunice student ID or a pictured ID and present an LSU Eunice student ID number as identification to take the assessment
- Students who have enrolled in MATH 0001 are not eligible for this mathematics assessment

Taking the assessment is mandatory and is a prerequisite for students to be enrolled in MATH 0002, but not MATH 0001. Students with transfer credit may be exempt from the assessment. Students need to:
- bring a pencil,
- know their LSU Eunice ID number
- arrive to orientation/assessment site at least 15 minutes prior to the beginning of the test
- not bring cell phones or calculators into the assessment room
- take the assessment early since the availability of math sections might be limited during week prior to classes beginning

Students may contact the Division of Sciences Office at 337-550-1233 or Office of Developmental Education at 337-550-1433 for additional information.
DEVELOPMENTAL EDUCATION ASSESSMENT DAY
Friday January 6, 2012

Students who scored:
  • a 17 or below on the English section of the ACT and/or;
  • an 18 or below on the mathematics section of the ACT;
may participate in assessment testing to attempt to test out of their developmental education coursework. This service is provided to students free of cost and is offered once prior to the beginning of each semester. Please note that this assessment applies to initial placement only. Continuing students who have taken a math or English course may not use this assessment to test out of an English or math course.

Students are required to have a valid LSU Eunice User Name (ID number) in order to take the test. As a result, students should have applied with the Admissions Office (337-550-1305) and paid their application fee at least five business days prior to testing. Students will also be asked to present a photo ID in addition to their student ID number. Students need not pre-register for this test; instead, they should report to Manuel Hall (Room 207) according to the schedule below. Students may only take the test once as further attempts will not be recorded. Students should note that calculators may not be used on the numerical skills test; however, calculators may be used on the elementary algebra test.

**HARDSHIP WAIVERS**

LSU Eunice, along with other state colleges and universities, was authorized by the Louisiana Legislature to raise tuition to offset the rising costs of post-secondary education. As directed by the Legislature, LSU Eunice will consider appeals for waiver of payment of the fee increase for students who meet the following criteria:

1. Louisiana resident
2. Full-time student (12 or more hours)
3. Must have applied for, and be deemed eligible to receive federal financial aid (i.e. grants, loans, etc)
4. Total cost of tuition, fees, books, and supplies exceeds the total amount received in grants, student loans, scholarships and other types of financial assistance (i.e. VA, Acadiana Works, etc)
5. The waiver cannot be used in connection with other scholarships that exempt the same fees
6. Students must also be maintaining satisfactory progress based on LSU Eunice scholastic regulations. You may apply for the waiver if you meet all of the above criteria and have special circumstances. Special Circumstances are defined as extreme condition(s) which exist that may warrant re-evaluation of a student’s financial aid file. The circumstances must be different from what has already been reported on the Free Application for Federal Student Aid (FAFSA).

Applications for waiver of tuition increase are available in the LSU Eunice Financial Aid Office. Please complete the fee waiver application and submit with supporting documentation to the Office of Financial Aid by January 19, 2011 for the spring semester. No application can be accepted after the deadline. You are expected to make arrangements to pay your fees until your appeal can be considered. If the appeal is approved, your fee increase payment will be returned to you or your account will be credited.

EQUAL OPPORTUNITY POLICY
LSU Eunice adheres to the equal opportunity provisions of the federal civil rights laws and regulations that are applicable to this agency. Therefore, no one will be discriminated against on the basis of race, color, national origin (Title VI of the Civil Rights Act of 1964); sex (Title IX of the Education Amendments of 1972); disability (Section 504 of the Rehabilitation Act of 1973); or age (Age Discrimination Act of 1975) in attaining educational goals and objectives and in the administration of personnel policies and procedures. Anyone with questions regarding this policy may contact the Special Assistant to the Chancellor for Affirmative Action/Equal Opportunity at (337) 550-1430, Room 102, Acadian Center, LSU Eunice, P. O. Box 1129, Eunice, Louisiana 70535.

PEER SEXUAL HARASSMENT POLICY
Peer sexual harassment is a form of prohibited sex discrimination where the harassing conduct creates a hostile environment. Thus, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when the conduct is sufficiently severe, persistent, or pervasive to limit a student’s ability to participate in or benefit from the education program, or to create a hostile or abusive educational environment. Anyone with questions regarding this policy may contact the Special Assistant to the Chancellor for Affirmative Action/Equal Opportunity at (337) 550-1430, Room 102, Acadian Center, LSU Eunice, PO Box 1129, Eunice, Louisiana 70535.

CAREER SERVICES
Career Services offers various programs and services for students interested in preparing for employment. Career Services has developed partnerships with various businesses to provide programs such as internships, co-operative education programs, on-campus interviews, and career fairs. These programs allow students to explore career pathways and gain hands-on experience while attending
school, as well as an opportunity to seek full-time or part-time employment. Career Services also provides assistance in writing resumes, preparing cover letters, and interviewing for jobs.

Students that are undecided about a career or major can take a career assessment to find which career or major is right for them. Continuing and graduating students are encouraged to register online at www.lsue.edu/career to take career assessments and enroll in the employment referral program. For more information, visit the Office of Career Services in the Acadian Center, Room 102 or contact Atina Wright, Career Services Coordinator, at 337-550-1430.

MYLSUE

INSTRUCTIONS TO USE THE MYLSUE COMPUTER REGISTRATION SYSTEM

To use the myLSUE system for registration, you must have your user name and password. Current students should already have a copy of their user name and password. If you did not receive or misplaced this information, you can contact the Office of Information Technology Manual Hall (Room 105). Some form of photo identification, such as a student ID card or driver’s license, is required.

All students must meet with an advisor prior to registering. Make an appointment to see your advisor as soon as possible to review your schedule and obtain clearance to register.

Applicants (New, Re-entry, Transfer): The time at which you can begin accessing the registration system is listed as NTR students.

Continuing Students The time at which you can begin accessing the registration system is based on the total number of credit hours you have already earned, plus the credit hours in which you are currently enrolled. For example, if you already completed 30 credits and are enrolled in 12 credits this spring, your total credits for the purpose of determining when you can begin registering would be 42 credits. Your number of earned credit hours is listed in the statistical table at the bottom of your transcript available on your myLSUE page.

Registration System Stays On

The registration system will remain on continuously (except when final grades are being posted at the end of the school session). This means that you will continue to be able to access the system to make schedule changes according to the academic calendar. Students who did not enroll during the early registration period can still enroll before the regular registration period. Students not enrolled in the current semester will need to complete the application process and get clearance from their faculty advisor.

COMPUTER REGISTRATION: A QUESTION & ANSWER GUIDE

Who can take part in computer registration using the myLSUE system on the Internet?

Current students and new, re-entry, or transfer students, with the exception of Pathways to Success program students, who have completed the application process will all be able to register over the internet using myLSUE. Before they can register, students must first meet with their faculty advisor to discuss scheduling and to receive clearance to register. Students use their student ID number (User Name) to login on the myLSUE system on the Internet, and they use their password that was sent to them by the Admissions Office. You should have received your password and student ID. If you need these numbers, go to the Office of Information Technology (Manuel Hall Room 105).

Will all new, re-entry, and transfer students be able to register by computer?

To be able to register by computer, new, re-entry, and transfer students, with the exception of Pathways to Success program students, must have completed the entire application process. This includes supplying transcripts from high schools and other colleges (or signing a provisional admission form if transcripts have not yet arrived) and complying with immunization requirements. ACT scores must also be on file before students can enroll in freshman English or mathematics courses. If any admissions materials are missing from a student’s file, the registration system will not permit the student to register.
When can students register by computer?

Current students and new, re-entry, or transfer students whose admission files are complete can take part in early registration. Current students can register beginning November 07, 2011 based on the number of earned college credit hours PLUS the hours for which the student is currently registered this Fall. Students can find out their number of earned credit hours using myLSUE to view their college transcript. The number of earned credit hours is included in a statistical table at the bottom of the transcript.

Starting with the scheduled time at which you can register, you will be able to access the computer registration system, 24 hours a day, throughout the early registration period, and you will be able to continue to access the system up until you pay your fees. If you try to access the system prior to the time listed in the schedule, the system will not allow you to register.

In addition, because the registration system will remain on after November 07, 2011, all students can continue to register (after obtaining clearance from their advisor) or make schedule changes according to the academic calendar. Please note that a student can log into myLSUE beginning the evening his or her application was entered by the Admissions Office. Students who need to register the same day that they apply for admission need to meet with their faculty advisor.

Students who have registered early (starting November 07, 2011) but who have not completed fee payment by 4:00 p.m. January 04, 2012 for the spring semester, will lose their schedule and will have to register for classes during regular registration. Students who did not take part in early registration can use the myLSUE computer registration system on the Internet during regular and late registration based on the schedules as set forth in the academic calendar. The computer registration system will also be open during the late registration period for students who are enrolling after the start of classes or for students who want to add or drop classes.

Can I register by computer if I take classes only at an off-campus location?

Yes, if you obtain a password and student ID number (User Name) so that you can access the myLSUE system. Off-campus students are invited to visit LSU Eunice during early registration to meet with their advisors. LSU Eunice representatives will be at off-campus locations during the late registration period at the times listed elsewhere in this Bulletin, so you will still have an opportunity to register in the traditional way instead of using computer registration.

If my admission file is incomplete or I owe LSU Eunice money from a previous semester, will my registration be blocked?

In most cases, the computer registration system will allow you to register if you are an applicant whose admission file is incomplete. If you currently owe money to LSU Eunice for parking fines or for any other unpaid fee from a previous semester, the computer registration system will not allow you to register. The system will tell you the type of “hold” placed on your registration. Contact the LSU Eunice campus to clear up the problem with the appropriate office.

Once classes start, can I add or drop classes using the myLSUE registration system?

Yes. You can use the computer registration system to add or drop classes. The system will follow the deadlines published in this Bulletin and in the LSU Eunice Catalog. After the published deadlines, you will not be able to add classes. You will still be able to use the system to drop classes. Before adding or dropping, you should consult with your faculty advisor. Ultimately, it is your responsibility to make sure that your schedule meets your needs. Your schedule should fit the requirements of your curriculum, whether you are enrolled in an LSU Eunice program or you are taking courses that you will transfer to another college. When you drop classes, you should be aware of financial aid requirements for satisfactory progress: you may fail to meet those requirements if you do not complete a sufficient number of the courses in which you initially enrolled.

Can I resign from all of my classes using the myLSUE computer system?

If it is prior to the first day of classes, yes; otherwise, you will need to report to or contact the Registrar’s Office at (337) 550-1304.

When I register for the next semester, can I use the same password that I have now?

Yes. Please retain your password. In order to activate the registration process, you will still need to meet with your advisor before you register by computer.

A LATE REGISTRATION FEE OF $2.00 PER CREDIT HOUR (MAX $24.00) IS IN EFFECT FOR ALL STUDENTS REGISTERING AFTER THIS DATE.

LATE REGISTRATION INSTRUCTIONS
LATE REGISTRATION/SCHEDULE ADJUSTMENT is the final opportunity for students to register for the semester. A late fee of $2.00 per credit hour (max. $24.00) is in effect for all students registering during this period, regardless of the registration site or mode of registration.

1. Complete a Trial Schedule Worksheet.
2. Initiate class selection via myLSUE.
3. Complete fee payment.

LATE REGISTRATION FEE PAYMENT
You are not registered until your fees have been processed. During late registration/schedule adjustment, students not processing fees by the fee payment deadline 4:00 p.m. January 19, 2012, will have their schedules canceled.

LATE REGISTRATION SCHEDULE ADJUSTMENT OPTIONS
During the late registration and schedule adjustment period (January 17, 2012-January 19, 2012), students will have a final opportunity to adjust their schedules. January 19, 2012 (4:00 p.m.) is the deadline for adding or changing sections.

RESIGNATION
Students will not be allowed to drop their last class but must resign. To resign from the university students will need to obtain and complete a resignation form. Registration forms are available in the Office of the Registrar (M102). Students have the option of mailing or faxing (337-550-1306) a letter of resignation to Office of the Registrar. The date of receipt is the effective date of resignation.

REFUND OF FEES WHEN A TITLE IV STUDENT RESIGNS
If a student who is receiving Title IV financial aid (any federal financial aid) officially resigns or stops attending without officially resigning or is dismissed prior to completing 60% of the semester, the student and/or the school may be required to return any calculated refund back to Title IV Programs. Refunds for tuition and University charges will be calculated through 60% of the semester, by taking the number of calendar days remaining in the semester divided by the number of calendar days in the semester. Scheduled breaks for five consecutive days or more are excluded. If a cash payment has been released to the student, then the student may be required to repay some of the federal grant if the student withdraws. Also, any money refunded by LSU Eunice to the Title IV programs in excess of the institutional tuition refund policy may be subject to repayment by the student.

Students must report to the Registrar’s Office to initiate the resignation process. Failure to resign properly could cause the student to receive a letter grade of F in all courses, and the student would still be held to the return of funds policy once an official withdrawal date can be established.

REFUND ADJUSTMENT SCHEDULE
