This Bulletin is neither a contract nor an offer to contract. Louisiana State University Eunice reserves all its right to make adjustments and changes as it deems necessary without prior notice. The University reserves the right to cancel any courses in which there is not sufficient enrollment. Should a class be canceled after you enroll, you may add another course during late registration/schedule adjustment period at the beginning of each semester. If you have no alternate course preferences, we will give you a full tuition refund. Allow six to eight weeks to receive the refund.

BULLETIN PROVIDES VITAL INFORMATION
Next to the Catalog, your LSU Eunice Course Schedule & Registration Bulletin may be the single greatest piece of resource material available to you. While the Catalog may tell you everything in general about LSU Eunice, the Bulletin tells you everything you need to know about the summer and fall semesters. Look over the Bulletin carefully, print out a copy, and be sure to bring it with you when you come for advising and registration.

If you are currently enrolled at LSU Eunice, please take advantage of early registration to reserve your seat in a full array of classes. Before early registration begins, you should make an appointment with your advisor to discuss your academic goals. Please check myLSUE to view your advisor’s information.

MEET WITH YOUR ADVISOR BEFORE REGISTRATION
All students are strongly encouraged to meet with their academic advisors before Early Registration. Academic advising is more than just a time to schedule next semester's classes; it is a decision-making process in which you get advice on your long-term plans for your future. Your advisor will also clear you for registration. You will not be able to use the myLSUE computer web-based registration system until your advisor has cleared you to register. You can meet with your faculty advisor during your advisor’s posted office hours. If you are a new, re-entry, or transfer student and need to attend orientation you will meet with an advisor at that time; otherwise, you need to schedule an appointment with your advisor prior to registering.

ACCREDITATION
Louisiana State University Eunice is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Associate Degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of Louisiana State University Eunice.

APPLICATION FOR ADMISSION
To apply online, visit the web site at http://apply.LSUE.edu. Once the application is completed online, applicants must submit a $25 fee before the Office of Admissions can process their applications. The fee can be paid either online or by phone using a credit card, (337) 550-1262, or by mail to LSU Eunice Business Office, P. O. Box 1129, Eunice, LA 70535.

When you complete an application online, you will be able to:
- Apply for admission
- Waive the requirement to submit immunization information
- Pay your application fee
An applicant must have a valid email address to apply online.

REGISTRATION ASSISTANCE FOR STUDENTS WITH DISABILITIES
Students with disabilities who need help with registration may request assistance from the Office of Academic Assistance (Student Support Services), provided the following conditions are met:
- Student Support Services must be provided with documentation of a disability warranting accommodation and a completed Student Support Services application at least three University business days before the student reports to register for classes. In cases where evidence of disability is readily visible to staff members, written documentation is preferred but not essential.
- The student must notify Student Support Services of the need for registration accommodations and must discuss the exact nature and degree of accommodation with the Coordinator of Student Support Services no less than three University business days before reporting to register for classes (except in the case of a genuinely unexpected emergency).
- During the discussion of accommodation with the Coordinator, the student must establish a time for registration and must arrive promptly to register at the specified time.
PROOF OF IMMUNIZATION

Louisiana law requires that all first-time LSU Eunice students who were born after 1957 provide proof of immunization against measles, mumps, rubella, and tetanus-diphtheria prior to registration for the initial term of enrollment. New students are provided a PROOF OF IMMUNIZATION COMPLIANCE FORM at the time of admission. The form should be completed and returned to the Office of Student Affairs and Enrollment Services located in Acadian Center Room 112.

REQUIRED MENINGITIS IMMUNIZATION

At this time Louisiana law requires all students entering any university for the first time, any students living on campus, and any transfer students to be immunized against meningitis unless a waiver is signed. Meningitis is a fatal bacterial infection. When it strikes, its flu-like symptoms make diagnosis difficult. If not treated early, it can lead to swelling of the fluid surrounding the brain and spinal column as well as severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputation, and even death. Symptoms may include headache, fever, stiff neck, extreme tiredness, vomiting, sensitivity to light, and rash of small purplish black-red dots. Contact your doctor immediately if you have these symptoms.

If you are a first time student, a transfer student, or a student living on campus, please (1) submit proof of inoculation for meningitis or (2) provide a signed waiver. If you are under the age of 18, your parent or guardian must sign the waiver also. This process must be completed before you are eligible to register for classes. Please send the appropriate documents as soon as possible to the Office of Student Affairs (Room 112, Acadian Center), LSU Eunice, P.O. Box 1129, Eunice, LA 70535 so that you enroll for classes this semester.

GENERAL FINANCIAL AID INFORMATION

LSU Eunice administers a broad program of financial aid including grants, loans, and employment to help deserving students who need financial assistance to attend the University. In order to apply for financial aid, you must complete the Free Application for Federal Student Aid (FAFSA). The application can be found at http://www.fafsa.gov. Students attending the Summer 2012 term will need to complete the 2011-2012 FAFSA. The priority deadline for summer is April 15, 2012. Students attending the Fall 2012 semester will need to complete the 2012-2013 FAFSA. The priority deadline for fall is June 1, 2012. All supporting documents should be submitted well in advance of the priority deadline dates to ensure a response to your application request and availability of funds at registration. Failure to do so may result in your having to pay all or most of your college expenses out of pocket.

You will be able to monitor your financial aid file progress and to accept your award on-line through your myLSUE account. This has eliminated the need for mailing requested documents and the mailing of paper award letters. This will allow you to print requested documents at home and to accept, decline, reduce, and print your financial aid award on-line.

Students who fail to begin attendance in all their courses by the 14th day of class for a regular semester or the 7th day for an accelerated semester may have their financial aid reduced or cancelled. If you transfer from one school to another, your financial aid does not transfer with you. To receive aid at LSU Eunice, check with the Financial Aid Office as soon as possible to find out what programs are available and what steps you must take. When you transfer, your eligibility for aid must be recalculated and reprocessed by the LSU Eunice Financial Aid Office.

FEE PAYMENT FOR STUDENTS WITH FINANCIAL AID OR SCHOLARSHIPS

Once a student has completed the registration process, if you have a Fee Bill with financial aid/or scholarships listed, you may use the applied amount of the Fee Bill to financially clear your account if the amount of aid listed is greater than the tuition. You must electronically clear your fees on-line through your myLSUE account during the fee payment periods.

The Business Office will accept a signed fee bill from the student. You must sign the permission statement and return it to the Business Office during the fee payment periods. The Business Office will accept only the original fee bill. Students must meet the fee payment deadlines established by the Business Office. Any scholarship, TOPS, and/or federal aid funds that remain after payment of required fees will be mailed to the student in approximately 4 to 6 weeks into the semester/session.
BOOKSTORE - TEXTBOOK REFUND POLICY
Students must present a picture ID and a current semester cash register receipt to return items.
1. Book refunds are given the first five class days for the fall semester and the first four days for the summer session.
2. Books must be returned within the refund dates in the condition in which they were purchased to receive a 100% refund—free from writing, stains, markings, or damage. Any over-wrap present on the book when originally purchased must be intact, and all contents must be returned.
3. If a book is not in an absolutely new condition, it may only be refunded at a lower rate and only if it is a book the Bookstore needs for a future semester.
4. After the refund period, all book returns come under the provisions of the Buy-Back Policy.

BOOKSTORE - BUY BACK POLICY
The Bookstore reserves the right to determine quantities and titles of books purchased. Books containing disks, CD’s, password cards, loose-leaf pages, perforated pages, or exercises that have been worked may not be purchased.
1. Students resigning after the last day for refunds can sell their books to the Bookstore for up to 50% of retail price, providing the book is a book the Bookstore needs for a future semester. Students must present a current semester cash register receipt, a picture ID, and a completed resignation form no later than five days after their resignation.
2. All other purchases will be made at the end of the semester. Used books (needed by the Bookstore) will be bought for up to 50% of the retail price. After the Bookstore has purchased the quantities needed for a future semester, books may be sold to the Bookstore at wholesale prices to be forwarded to a used book company. Textbooks will be purchased during the final exam period.

BOOKSTORE - DEFECTIVE BOOKS
Please check books immediately for defects! Books must be returned to the Bookstore as soon as the defect is discovered. Students must present a current semester cash register receipt.

BOOKSTORE - REFUND OF OTHER ITEMS
Refunds on supplies or clothing will be made only if the item is returned unused within one week of purchase. The item must be unopened and in the original packaging.

ID PHOTOS
Student ID photos will be taken by the Office of Information Technology (Manuel Hall Room 105) at posted times. In order to obtain an ID card, present a photo ID (for example, a driver’s license), and present an LSU Eunice document indicating their LSU Eunice student ID number. The first ID card is free. Replacement ID cards are $5. The student photo ID card is required to conduct business in several campus offices, including the LeDoux Library, the Business Office, the Bookstore, and the Office of Information Technology. Students must also present their ID card to gain admission into campus activities, including events sponsored by the Office of Student Activities, athletic events, and the Recreation Center. ID cards are required for printing in all labs.

LIBRARY HOURS
The Arnold LeDoux Library is open Monday–Friday 8:00 am–4:30 pm. Check with the Library for holiday hours and notices about extended hours. You can call 550-1384 or check http://www.lsue.edu/library. After normal operating hours, on holidays and weekends, the library’s electronic information and “e-content” resources are always available. Instructions on accessing these resources, utilizing the LSU Eunice ID card, as well as other information about the library and resources, can be located at http://www.lsue.edu/library. The LSU Eunice ID card is essential for remotely logging onto these electronic library resources.

ORIENTATION/REGISTRATION
Orientation/Registration offers incoming students a chance to learn about the university and meet with staff from key campus departments. It helps ease the transition into college life by providing vital information and opportunities for interaction with students, faculty, and staff. Students can also have their ID cards created, visit with an academic advisor, and register for classes.
Orientation is MANDATORY for all students who have earned less than 24 semester hours. Upon being admitted to LSU Eunice, students can register for Orientation/Registration online at http://www.lsue.edu/orientation. There is a $15 Orientation fee.

Parent and Spouse Orientation – LSU Eunice Campus Only
Parents and spouses of Orientation students may attend Orientation at no additional charge. They will have the opportunity to attend a separate program to learn about the University. Representatives from various university departments will meet with parents and spouses at a special information session designed just for them.

STUDENT SUPPORT SERVICES
Students who want to sign up for tutoring, supplemental instruction, accommodated assistance for students with disabilities, financial aid assistance and free stipends, personal and academic counseling, two-year/four-year transfer assistance, and other support services need to fill out applications during early registration. Applications are available from the Academic Support Center, Room 145 of the Science Building.

During all orientations, interested students should stop by the Student Support Services’ table in the Acadian Center to complete the application after they have met with their faculty advisor.

COURSE SUBSTITUTIONS
A waiver of no more than two course requirements (six semester hours) may be made in a LSU Eunice associate degree curriculum. No substitutions may be made for the English and mathematics requirements specified in the general degree requirements listed in the current LSU Eunice catalog. When the courses in question are from the humanities, social sciences, or natural sciences, another course from the same general areas must be substituted. A classification of academic disciplines is provided below.

- **Humanities:** Communication Studies, English, Foreign Language, History, Mass Communication, Philosophy
- **Fine Arts:** Art, Music, Theatre
- **Social Sciences:** Anthropology, Political Science, Sociology, Psychology, Economics
- **Natural Sciences:** Biology, Botany, Zoology, Chemistry, Physical Science, Physics, Mathematics, Microbiology

WITHDRAWAL GRADES
A grade of “W” will be entered on the student’s record for any course dropped within the dates specified in the academic calendar for that semester. After that time, students may not drop courses unless authorized to do so by the Vice Chancellor for Academic Affairs. This regulation applies to all courses dropped when a student resigns from the University.
“I” GRADES
Work which is of passing quality but which, because of circumstances beyond the student’s control, is not complete may be marked “I” (incomplete). An “I” grade is given only upon receipt by the instructor of appropriate authorization from the Office of Academic Affairs. If authorization is not received, the instructor is to consider that the delinquent work is of failing quality and an “I” grade is not to be given. It is the responsibility of the student to initiate the request for an “I” grade.
A grade of “I” will be converted to “F” unless it is removed prior to the deadline for adding courses for credit in the next regular semester as published in the University Calendar. In extraordinary cases, the Vice Chancellor for Academic Affairs may authorize an extension of time for removing the grade or the Chancellor may authorize that the “I” grade become permanent.

CREDIT FOR REPEATED COURSES
When a student, having taken a course in the LSU System, is permitted to repeat the course in the LSU System for credit, the latter of the two grades earned shall be the one which determines acceptability of the course for degree credit. All instances of repeated courses are included in grade-point average calculations; however, credit will be awarded only for the last repetition. A student may not repeat a course in which a grade of “C” or better has been earned unless the catalog description indicates that the course may be repeated for credit or the Vice Chancellor for Academic Affairs approves the repetition for some special reason. If a student registers for a course in violation of the above policy, the student may be denied degree credit for the course. A student may not repeat a course for which the LSU Eunice grade of record is an “I.”
Students who receive a grade of “F” in a course must repeat the course in the LSU System in order to receive credit for it. With the concurrence of the head of the department in which the course is given, the Vice Chancellor for Academic Affairs may make exceptions in individual cases.

AUDITORS
A student may be admitted to classes as an auditor by obtaining written permission of the Vice Chancellor for Academic Affairs. Auditors will not receive University credit, nor will they be permitted to take an advanced-standing examination on work audited. Courses taken for audit may not be used to fulfill degree requirements or to maintain financial aid eligibility. However, courses previously audited may be later taken for credit. Changes from “credit-to-audit” or “audit-to-credit” must be made by the deadline for adding courses or making section changes.

ACADEMIC BANKRUPTCY
Under specified conditions, undergraduate students who have interrupted their college careers for a period of at least five consecutive calendar years may, at the time of application for admission to the University, declare academic bankruptcy. Under this policy, all previous college-level work is eliminated from computation of the grade-point average and cannot be applied toward a degree at LSU Eunice. Such work, however, will not be removed from student’s scholastic records and transcripts. Students qualifying for academic bankruptcy are admitted on scholastic probation. Students may obtain details on this policy from their academic division head or the Admissions Office. The summer semester deadline to apply for academic bankruptcy is June 8, 2012 and the deadline for the fall is August 31, 2012.

AMERICAN COLLEGE TEST (ACT)
The American College Test is administered annually on five national testing dates. ACT scores are used in placing students in English, mathematics, and other classes as listed in the LSU Eunice Catalog. LSU Eunice is a national test site. The regular registration deadline is usually at least five weeks prior to the test, with a late registration deadline at least three weeks prior to the test. To register for the exam, visit ACT’s web site, www.act.org. Students should note that ACT scores older than five years will not be used for placement. For additional information contact the Office of Student Affairs and Enrollment Services at (337) 550-1218.
In addition to the national test, LSU Eunice administers a local residual test prior to the start of each school session intended only for students planning to attend LSU Eunice. The test for students enrolling in the summer 2012 semester will be given at 8 a.m. May 22, 2012 in the Acadian Center and August 7, 2012 for those enrolling in the fall. Test-takers will pay a $35 fee at the Business Office window in the
Science Building adjacent to Room 115 immediately prior to the test. A picture ID such as a driver’s license is required. Test-takers may use a calculator on the mathematics portion of the test.

TRANSFER COURSE AGREEMENTS

LSU Eunice has written transfer agreements with the University of Louisiana at Lafayette and McNeese State University specifying which LSU Eunice courses are equivalent to courses at those institutions. Check with your advisor for details. LSU Eunice course numbers parallel the course numbers in the catalog of LSU A&M in Baton Rouge.

For additional information on transfer credit, check the Louisiana Board of Regents data & publication’s master course articulation matrix (transfer guide). These matrices indicate transfer equivalencies of courses among Louisiana’s public colleges and universities and may be accessed through the Board of Regents’ matrix web page. The listing of courses in the matrices is not all-inclusive. There are courses that articulate between campuses that are not listed in the matrices. Students who want more information about the transferability of courses for academic credit in general or credit toward a specific degree program should contact the appropriate member of the statewide articulation council as listed on the Board of Regents website or the Registrar’s Office.

PATHWAYS TO SUCCESS PROGRAM

“Pathways to Success” is a program designed to enhance students’ freshmen-year experience. Students participate in a one-year program of study focusing on college success skills, mathematics, and English. Students are notified by letter and registered for classes through the Office of Developmental Education. Developmental studies advisors will be available during orientation. Orientation to LSU Eunice and to the program is mandatory. Students wishing to place out of the Pathways to Success program must take the ACT exam and obtain a composite score of 16 or higher prior to their first semester of attendance.

MATHEMATICS 0001/0002 PLACEMENT ASSESSMENT

Mathematics assessment tests are scheduled for each of the scheduled orientation dates. Reserving a seat for orientation automatically reserves a seat for the mathematics assessment test, if applicable.

Any student with an ACT mathematics score of 18 or lower is permitted to take a one-half hour assessment prior to the first semester of attendance. The purpose of the assessment is to validate the student’s placement in MATH0001 or MATH0002. Students who score an 18 or less on the mathematics portion of the ACT and wish to remain in MATH 0001 need not take the test. However, students who wish to enroll in MATH0002 must take the assessment and achieve a score of 41 or above prior to classes beginning. Math assessment is not offered once classes begin. Student wishing to enroll after the last published assessment date will be placed into MATH0001.

Please note the following:
- The assessment test may be taken only once
- Calculators are not permitted
- The assessment result will not affect the placement of students in any other mathematics classes or those students who scored at least a 19 on the mathematics portion of the ACT
- Students must present their LSU Eunice student ID or a pictured ID and present an LSU Eunice student ID number as identification to take the assessment
- Students who have enrolled in MATH0001 are not eligible for this mathematics assessment

Taking the assessment is a prerequisite for students to be enrolled in MATH0002, but not MATH0001. Students with transfer credit may be exempt from the assessment. Students need to:
- Bring a pencil
- Know their LSU Eunice ID number
- Arrive to orientation/assessment site at least 15 minutes prior to the beginning of the test
- Not bring cell phones or calculators into the assessment room
- Take the assessment early since the availability of math sections might be limited during week prior to classes beginning

Students may contact the Division of Sciences and Mathematics at (337) 550-1233 or the Office of Developmental Education at (337) 550-1433 for additional information.
DEVELOPMENTAL EDUCATION ASSESSMENT DAY

**Summer 2012 – May 31, 2012**

**Fall 2012 – August 9, 2012**

Students who scored a 17 or below on the English section and/or an 18 or below on the mathematics section of the ACT may participate in assessment testing to attempt to test out of their developmental education coursework. This service is provided to students free of cost and is offered once prior to each semester. Please note that this assessment applies to initial placement only. Continuing students who have taken a math or English course may not use this assessment to test out of courses.

Students are required to have a valid LSU Eunice ID number in order to take the test. As a result, students should have applied with the Admissions Office (337) 550-1305 and paid their application fee at least five business days prior to testing. Students will also be asked to present a photo ID in addition to their student ID number. Students need not pre-register for this test; instead, they should report to Manuel Hall (Room 207) according to the schedule below. Students may only take the test once. Students should note that calculators may not be used on the numerical skills test; however, calculators may be used on the elementary algebra test.

Students should contact the Office of Developmental Education at (337) 550-1433 if they have any questions. A student study guide is available at [http://web.lsue.edu/docs/DevelopmentalEd/StudentGuide.pdf](http://web.lsue.edu/docs/DevelopmentalEd/StudentGuide.pdf).

REGISTRATION OF MOTOR VEHICLES ON CAMPUS

All motor vehicles operating on the LSU Eunice campus must display a registration decal. Vehicles must be registered by the end of the first week of classes. Anyone who wants to bring a vehicle on campus temporarily other than the one registered to that individual should obtain a temporary permit from the Business Office. Decals, registration forms, and copies of the parking regulations are available at the Business Office window in the Science Building adjacent to Room 115. Office hours are 8 a.m.-4:30 p.m. on weekdays. The registration fee for one vehicle is $20.

HARDSHIP WAIVERS

LSU Eunice, along with other state colleges and universities, was authorized by the Louisiana Legislature to raise tuition to offset the rising costs of post-secondary education. As directed by the Legislature, LSU Eunice will consider appeals for waiver of payment of the fee increase for students who meet the following criteria:

1. Louisiana resident
2. Full-time student (12 or more hours)
3. Must have applied for, and be deemed eligible to receive federal financial aid (i.e. grants, loans, etc).
4. Total cost of tuition, fees, books, and supplies exceeds the total amount received in grants, student loans, scholarships and other types of financial assistance (i.e. VA, Acadiana Works, etc).
5. The waiver cannot be used in connection with other scholarships that exempt the same fees.
6. Students must also maintain satisfactory progress based on LSU Eunice scholastic regulations.

You may apply for the waiver if you meet all of the above criteria and have special circumstances. Special circumstances are defined as extreme condition(s) which exist that may warrant re-evaluation of a student’s financial aid file. The circumstances must be different from what has already been reported on the Free Application for Federal Student Aid (FAFSA).

Applications for waiver of tuition increase are available in the LSU Eunice Financial Aid Office. Please complete the fee waiver application and submit with supporting documentation to the Office of Financial Aid by June 5, 2012 for the summer semester and August 22, 2012 for the fall semester. No application can be accepted after the deadline. You are expected to make arrangements to pay your fees until your appeal can be considered. If the appeal is approved, your fee increase payment will be returned to you or your account will be credited.

DRUG-FREE CAMPUS POLICY

The following is written in accordance with the U.S. Department of Education and State of Louisiana Employee Substance Abuse and Drug-Free Workplace Policies.

It shall be the policy of Louisiana State University Eunice to maintain a drug-free campus environment. Both the workforce and students shall remain drug-free and free of other substance abuse. Thus:

A. Employees (administrators, faculty, staff, and student employees) are prohibited from reporting to work or performing work for the State while under the influence of or impaired by illegal drugs or alcohol.
B. The illegal use, possession, dispensation, distribution, manufacture, or sale of controlled substances and alcohol by employees while at the work site, and while engaged in official business, on duty, or on call for duty is prohibited.
C. The illegal use, possession, dispensation, manufacture, or sale of controlled substances and alcohol abuse by students while on campus is prohibited.
D. Employees who exhibit such conduct as described in A and B, and students who exhibit such conduct as described in C, and who are convicted of violating the University's Substance and Drug Abuse Policy will be subject to the following within thirty days after conviction:

(1) employees - appropriate personnel disciplinary action up to and including termination of employment or mandatory participation in a rehabilitation program approved for such purposes by a federal, state, or local health or law enforcement agency or other appropriate agency.
For the most current class offerings, please see [www.lsue.edu/schedule](http://www.lsue.edu/schedule)

(2) students - disciplinary action including suspension or expulsion from the University as specified by the LSU Eunice Code of Student Conduct.

(3) employees and students - referral to civil authorities as appropriate for violation of local, state, or federal regulations.

E. All employees and students will be given a copy of the University’s Substance Abuse and Drug-Free Campus Policy. As a condition of employment for administrators, faculty, staff, and student employees, and as a condition of enrollment for all students, the attached document must be signed which attests that they will:

(1) abide by the terms of the University’s Substance Abuse and Drug-Free Campus Policy.

(2) notify the Office of the Chancellor (employees) or Office of Student Affairs (students) in writing of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.

Signed employee certification sheets will be filed in the Office of Personnel Records. Student certification sheets will be filed in the Office of Student Affairs.

F. The University will report any such criminal drug statute convictions of employees, including student employees, where employment is funded through a federal grant or contract to the agency or agencies from which that grant or contract is received within ten (10) days after receiving notice from the employee or student or otherwise receiving actual notice of such conviction.

G. The University will assist those employees and students seeking rehabilitation by providing names, addresses, and telephone numbers of substance abuse facilities.

H. The University will present an alcohol and drug awareness program(s) to inform employees and students of the following:

(1) the dangers of substance and alcohol abuse in the work place;

(2) the University’s policy of maintaining a drug-free workplace;

(3) any available drug and alcohol abuse counseling, rehabilitation, and employee assistance programs;

(4) the penalties that may be imposed upon employees for drug or alcohol abuse violations occurring in the workplace; and

(5) the penalties that may be imposed upon students receiving financial assistance for drug or alcohol abuse occurring within the classroom or elsewhere on the campus.

The Office of Student Affairs will coordinate implementation of this policy.

EQUAL OPPORTUNITY POLICY

LSU Eunice adheres to the equal opportunity provisions of the federal civil rights laws and regulations that are applicable to this agency. Therefore, no one will be discriminated against on the basis of race, color, national origin (Title VI of the Civil Rights Act of 1964), sex (Title IX of the Education Amendments of 1972), disability (Section 504 of the Rehabilitation Act of 1973), or age (Age Discrimination Act of 1975) in attaining educational goals and objectives and in the administration of personnel policies and procedures. Anyone with questions regarding this policy may contact the Office of the Chancellor at (337) 550-1203, Room 105, Science Building, LSU Eunice, P. O. Box 1129, Eunice, Louisiana 70535.

PEER SEXUAL HARASSMENT POLICY

Peer sexual harassment is a form of prohibited sex discrimination where the harassing conduct creates a hostile environment. Thus, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when the conduct is sufficiently severe, persistent, or pervasive to limit a student’s ability to participate in or benefit from the education program, or to create a hostile or abusive educational environment. Anyone with questions regarding this policy may contact the Office of the Chancellor at (337) 550-1203, Room 105, Science Building, LSU Eunice, P. O. Box 1129, Eunice, Louisiana 70535.

MYLSUE

INSTRUCTIONS TO USE THE MYLSUE COMPUTER REGISTRATION SYSTEM
To use the myLSUE system for registration, you must have your user name and password. If you did not receive or misplaced this information, you can check in the Office of Information Technology in Room 105 of Manual Hall. Some form of picture identification, such as a student ID card or driver’s license, is required. All students must meet with an advisor prior to registering. Make an appointment to see your advisor as soon as possible to review your schedule and obtain clearance to register.

Registration System Stays On
The registration system will remain on continuously (except when final grades are being posted at the end of the school session). This means that you will continue to be able to access the system to make schedule changes according to the academic calendar. Students who did not enroll during the early registration period can still enroll during the regular registration period. Students not enrolled in the current semester will need to complete a new application and get clearance from their faculty advisor.

COMPUTER REGISTRATION: A QUESTION & ANSWER GUIDE
Who can take part in computer registration using the myLSUE system on the Internet?
Current students and new, re-entry, or transfer students (with the exception of Pathways to Success program students) who have completed the application process will all be able to register over the internet using myLSUE. Before they can register, students must first meet with their faculty advisor to discuss scheduling and to receive clearance to register. Students use their student ID number to login on the myLSUE system on the Internet and they use their password that was sent to them by the Admissions
Office. If you do not remember your ID or password, contact the Office of Information Technology (Manuel Hall Room 105).

**Will all new, re-entry, and transfer students be able to register by computer?**

To be able to register by computer, new, re-entry, and transfer students (with the exception of Pathways to Success program students) must have completed the entire application process. This includes supplying transcripts from high schools and other colleges and complying with immunization requirements. ACT scores must also be on file before students can enroll in freshman English or mathematics courses. If any admissions materials are missing from a student’s file, the registration system will not permit the student to register.

**When can students register by computer?**

Current students and new, re-entry, or transfer students whose admission files are complete can take part in early registration. Current students can register beginning **March 26, 2012** based on the number of earned college credit hours PLUS the hours for which the student is currently registered this Spring. Students can find out their number of earned credit hours using myLSUE to view their college transcript. The number of earned credit hours is indicated in a statistical table at the bottom of the transcript.

Starting with the scheduled time at which you can register, you will be able to access the computer registration system, 24 hours a day, throughout the early registration period, and you will be able to continue to access the system up until you pay your fees. If you try to access the system prior to the time listed in the schedule, you will not be permitted to register.

In addition, because the registration system will remain on after **March 26, 2012**, all students can continue to register (after obtaining clearance from their advisor) or make schedule changes according to the academic calendar. Please note that a student can log into myLSUE beginning the evening his or her application was entered by the Admissions Office. Students who need to register the same day that they apply for admission need to meet with their faculty advisor.

Students who have registered early but who have not completed fee payment by 4:00 p.m. **May 11, 2012** for the summer session and **August 1, 2012** for the fall session will lose their schedule and will have to register for classes during regular registration. Students who did not take part in early registration can use the myLSUE computer registration system on the Internet during regular and late registration based on the schedules as set forth in the academic calendar. The computer registration system will also be open during the late registration period for students who are enrolling after the start of classes or for students who want to add or drop classes.

**Can I register by computer if I take classes only at an off-campus location?**

Yes, if you obtain a password and student ID number so that you can access the myLSUE system. Off-campus students are invited to visit LSU Eunice during early registration to meet with their advisors. LSU Eunice representatives will be at off-campus locations during the late registration period at the times listed elsewhere in this Bulletin, so you will still have an opportunity to register in the traditional way instead of using computer registration.

**If my admission file is incomplete or I owe LSU Eunice money from a previous semester, will my registration be blocked?**

In most cases, the computer registration system will allow you to register if you are an applicant whose admission file is not yet complete. If you currently owe money to LSU Eunice, the computer registration system will not allow you to register. The system will tell you the type of hold placed on your registration. Contact LSU Eunice to clear up the problem with the appropriate office.

**Once classes start, can I add or drop classes using the myLSUE registration system?**

Yes. You can use the computer registration system to add or drop classes. The system will follow the deadlines published in this Bulletin and in the LSU Eunice Catalog. After the published deadlines, you will not be able to add classes. You will still be able to use the system to drop classes. Before adding or dropping, you should consult with your faculty advisor. Ultimately, it is your responsibility to make sure that your schedule meets your needs. Your schedule should fit the requirements of your curriculum, whether you are enrolled in an LSU Eunice program or you are taking courses that you will transfer to another college. When you drop classes, you should be aware of financial aid requirements for satisfactory
progress: you may fail to meet those requirements if you do not complete a sufficient number of the courses in which you initially enrolled.

Can I resign from all of my classes using the myLSUE computer system?
If it is prior to the first day of classes, yes; otherwise, you will need to report to or contact the Registrar’s Office at (337) 550-1304.

When I register for the next semester, can I use the same password that I have now?
Yes. Please retain your password. In order to activate the registration process, you will still need to meet with your advisor before you register by computer.
