Adjustments (April 4, 2013)
-Developmental Education Assessment Day has moved from May 24 to May 23.
For the most current class offerings, please see [www.lsue.edu/schedule](http://www.lsue.edu/schedule)

This Registration Guide is neither a contract nor an offer to contract. LSU Eunice reserves all its rights to make adjustments and changes as it deems necessary without prior notice. The University reserves the right to cancel any courses in which there is not sufficient enrollment. Should a class be canceled after you enroll, you may add another course during late registration/schedule adjustment period at the beginning of the term without penalty. If you have no alternate course preferences, you will receive a full tuition refund. Allow six to eight weeks to receive the refund.

**REGISTRATION GUIDE PROVIDES VITAL INFORMATION**

Next to the Catalog, your Registration Guide may be the single greatest piece of resource material available to you. While the Catalog may tell you everything in general about LSU Eunice, the Registration Guide tells you “everything you need to know but are afraid to ask” about the summer term. Look over the Registration Guide carefully, print out a copy, and be sure to bring it with you when you come for advising and registration. In order to be considered a registered student, all persons must: 1) Meet with Advisor; 2) Schedule Classes; and 3) Clear Fees. Until all three steps are successfully accomplished, persons are not considered registered for the semester.

**MEET WITH YOUR ADVISOR BEFORE REGISTRATION**

All students are strongly encouraged to meet with their academic advisors before Early Registration. Academic advising is more than just a time to schedule next semester’s classes. It is a decision-making process in which you get advice on your long-term plans for your future and will clear you for registration. You will not be able to use the myLSUE computer web-based registration system until your advisor has cleared you to register. You can meet with your faculty advisor during your advisor’s posted office hours.

If you are a new, re-entry, or transfer student and need to attend orientation, you will meet with an advisor at that time; otherwise, you need to schedule an appointment with your advisor prior to registering.

**I. ADMISSIONS and ORIENTATION**

To apply online, visit the web site at [http://apply.LSUE.edu](http://apply.LSUE.edu). Once the application is completed online, applicants must pay the $25 application fee before the Office of Admissions can process their applications. The fee can be paid either online or by phone using a credit card, (337) 550-1262, or by mail to LSU Eunice Business Office, P. O. Box 1129, Eunice, LA 70535. After you complete an application online, you will be able to pay the application fee and waive the requirement to submit immunization information.

**ORIENTATION/REGISTRATION**

Orientation/Registration offers incoming students a chance to learn about the university and meet with staff from key campus departments. It helps ease the transition into college life by providing vital information and opportunities for interaction with students, faculty, and staff. Students can also have their ID cards created, visit with an academic advisor, and register for classes. Orientation is mandatory for all students who have earned less than 24 semester hours. Upon being admitted to LSU Eunice, students can register for Orientation/Registration online at [http://www.lsue.edu/orientation](http://www.lsue.edu/orientation). There is a $15 Orientation fee. Check in at the Acadian Center. For more information, please call (888) 367-5783, ext. 218, or locally 550-1218.

**Parent and Spouse Orientation**

Parents and spouses of Orientation students may attend Orientation at no additional charge. They will have the opportunity to attend a separate program to learn about the university. Representatives from various university departments will meet with parents and spouses at a special information session designed just for them. Family wishing to eat lunch will be required to pay $3 per person.

**PROOF OF IMMUNIZATION**

Louisiana law requires that all first-time LSU Eunice students who were born after 1957 provide proof of immunization against measles, mumps, rubella, and tetanus-diphtheria prior to registration for the initial term of enrollment. New students are provided a [Proof/Waiver of Immunization Form](http://www.lsue.edu/orientation) at the time of admission. The form should be returned to the Office of Student Affairs and Enrollment Services (Acadian Center Room 112).
REQUIRED MENINGITIS IMMUNIZATION
At this time Louisiana law requires all students entering any university for the first time, any students living on campus, and any transfer students to be immunized against meningitis unless a waiver is signed. Meningitis is a potentially fatal infection. When it strikes, its flu-like symptoms make diagnosis difficult. To learn more about meningitis, its symptoms, and its effects, read the information found at http://children.webmd.com/vaccines/tc/meningitis-topic-overview. If you are a first time student, a transfer student, or a student living on campus, please (1) submit proof of inoculation for meningitis or (2) provide a signed waiver. If you are under the age of 18, your parent or guardian must sign the waiver also. This process must be completed before you are eligible to register for classes. Please send the appropriate documents as soon as possible to the Office of Student Affairs and Enrollment Services (Acadian Center Room 112), LSU Eunice, P. O. Box 1129, Eunice, LA 70535 so you may enroll in classes.

II. STUDENT SUPPORT SERVICES
Students who want to sign up for free tutoring, supplemental instruction, support services for students with disabilities, financial aid/literacy, personal and academic counseling, two-year/four-year transfer assistance, and other academic support services are encouraged to fill out an application during early registration to avoid delay in services. However, a student may apply at any time. During all orientations, interested students should stop by the Student Support Services’ table in the Acadian Center to complete the application after they have met with their faculty advisor. There is a one-time application process and qualifying students can receive services until they graduate or transfer. Free applications are available from Student Support Services (Science Building Room 146).

REGISTRATION ASSISTANCE FOR STUDENTS WITH DISABILITIES
Students with disabilities who need help with registration may request assistance from Student Support Services, provided the following conditions are met:
• Student Support Services must be provided with documentation of a disability warranting accommodation and a completed Student Support Services application at least three business days before the student reports to register for classes. In cases where evidence of disability is readily visible to staff members, written documentation is preferred but not essential.
• The student must notify Student Support Services of the need for registration accommodations and must discuss the exact nature and degree of accommodation with the Students with Disabilities Coordinator/Counselor no less than three business days before registering for classes (except in the case of a genuinely unexpected emergency).
• During the discussion of accommodation with the Coordinator/Counselor, the student must establish a time for registration and must arrive promptly to register at the specified time.

III. FINANCIAL AID INFORMATION
LSU Eunice administers a broad program of financial aid including grants, loans, and employment to help deserving students who need financial assistance to attend the University. In order to apply for financial aid, you must complete the Free Application for Federal Student Aid (FAFSA). The application can be found at http://www.fafsa.gov. Students attending the Summer 2013 term will need to complete the 2012-2013 FAFSA. The priority deadline for summer is April 1, 2013. All supporting documents should be submitted well in advance of the priority deadline date to ensure a response to your application request and availability of funds at registration. Failure to do so may result in your having to pay all or most of your college expenses out of pocket. You can monitor your financial aid file progress and accept your award on-line through your myLSUE account. This allows you to print requested documents at home and to accept, decline, reduce, and print your financial aid award on-line.

Students who fail to begin attendance in all their courses by the 7th day for the summer term may have their financial aid reduced or cancelled. If you transfer from one school to another, your financial aid does not transfer with you. To receive aid at LSU Eunice, check with the Financial Aid Office as soon as possible to find out what programs are available and what steps you must take.

HARDSHIP WAIVERS
LSU Eunice, along with other state colleges and universities, was authorized by the Louisiana Legislature to raise tuition. LSU Eunice will consider appeals for waiver of payment of the fee increase for students who meet the following criteria:
1. Louisiana resident
2. Full-time student (6 or more hours for summer)
3. Must have applied for, and be deemed eligible to receive federal financial aid (i.e. grants, loans, etc).
4. Total cost of tuition, fees, books, and supplies exceeds the total amount received in grants, student loans, scholarships and other types of financial assistance (i.e. VA, Acadiana Works, etc).
5. The waiver cannot be used in connection with other scholarships that exempt the same fees.

6. Students must also maintain satisfactory progress based on LSU Eunice scholastic regulations.

You may apply for the waiver if you meet all of the above criteria and have special circumstances. Special circumstances are defined as extreme condition(s) which exist that may warrant re-evaluation of a student’s financial aid file. The circumstances must be different from what has already been reported on the Free Application for Federal Student Aid (FAFSA). Applications for hardship waiver are available in the LSU Eunice Financial Aid Office. Please complete the hardship waiver application and submit with supporting documentation to the Office of Financial Aid by June 5, 2013. No application will be accepted after the deadline.

IV. ACADEMIC POLICIES and PROGRAMS

For information concerning resigning from the university, requesting an “I,” repeating a course, academic bankruptcy, or other academic policies, please consult the appropriate section of Academic Catalog.

TRANSFER COURSE AGREEMENTS

LSU Eunice has written transfer agreements with the University of Louisiana at Lafayette and McNeese State University specifying which LSU Eunice courses are equivalent to courses at those institutions. Check with your advisor for details. Most LSU Eunice course numbers parallel the course numbers in the catalog of LSU A&M.

For additional information on transfer credit, check the Louisiana Board of Regents data & publication’s master course articulation matrix (transfer guide). These matrices indicate transfer equivalencies of courses among Louisiana’s public colleges and universities and may be accessed through the following link. The listing of courses in the matrices is not all-inclusive. There are courses that articulate between campuses that are not listed in the matrices. Students who want more information about the transferability of courses for academic credit in general or credit toward a specific degree program should contact the appropriate member of the statewide articulation council as listed at this link or the Registrar’s Office.

AMERICAN COLLEGE TEST (ACT)

The American College Test is administered annually on five national testing dates. ACT scores are used in placing students in English, mathematics, and other classes as listed in the LSU Eunice Catalog. LSU Eunice is a national test site. The regular registration deadline is usually at least five weeks prior to the test, with a late registration deadline at least three weeks prior to the test. To register for the exam, visit ACT’s web site, www.act.org. Students should note that ACT scores older than five years will not be used for placement. For additional information contact the Office of Student Affairs and Enrollment Services at (337) 550-1218.

In addition to the national test, LSU Eunice administers a local residual test prior to the start of each school session intended only for students planning to attend LSU Eunice. The test will be given at 8 a.m. May 21, 2013 in the Acadian Test. Test-takers will pay a $35 fee at the Business Office window in the Science Building adjacent to Room 115 immediately prior to the test. A picture ID such as a driver’s license is required. Test-takers may use a calculator on the mathematics portion of the test.

PATHWAYS TO SUCCESS PROGRAM

“Pathways to Success” is a program designed to enhance students’ freshmen-year experience. Students participate in a one-year program of study focusing on college success skills, mathematics, and English. Students are notified by letter and registered for classes through the Office of Developmental Education. Developmental studies advisors will be available during orientation. Orientation to LSU Eunice and to the program is mandatory. Students wishing to place out of the Pathways to Success program must take the ACT exam and obtain a composite score of 16 or higher prior to their first semester of attendance.

MATHEMATICS 0001/0002 PLACEMENT ASSESSMENT

Mathematics assessment tests are scheduled for each of the scheduled orientation dates. Reserving a seat for orientation automatically reserves a seat for the mathematics assessment test, if applicable. Any student with an ACT mathematics score of 18 or lower is permitted to take a one-half hour assessment prior to the first semester of attendance. The purpose of the assessment is to validate the student’s placement in MATH0001 or MATH0002. Students who score an 18 or less on the mathematics portion of the ACT and wish to remain in MATH 0001 need not take the test. However, students who wish to enroll in MATH0002 must take the assessment and achieve a score of 41 or above prior to classes beginning. Math assessment is not offered once classes begin. Students wishing to enroll after the last published assessment date will be placed into MATH0001. Please note the following:

- The assessment test may be taken only once
- Calculators may not be used
For the most current class offerings, please see [www.lsue.edu/schedule](http://www.lsue.edu/schedule)

- The assessment result will not affect the placement of students in any other mathematics classes or those students who scored at least a 19 on the mathematics portion of the ACT
- Students must present their LSU Eunice student ID or a pictured ID and present an LSU Eunice student ID number as identification to take the assessment
- Students who have enrolled in MATH0001 are not eligible for this mathematics assessment

Taking the assessment is a prerequisite for students to be enrolled in MATH0002, but not MATH0001. Students with transfer credit may be exempt from the assessment. Students need to:

- Bring a pencil
- Know their LSU Eunice ID number
- Arrive at least 15 minutes prior to the beginning of the test
- Not bring cell phones or calculators into the assessment room
- Take assessment early; availability of math sections might be limited during week prior to classes beginning

Students may contact the Division of Sciences and Mathematics at (337) 550-1233 or the Office of Developmental Education at (337) 550-1433 for additional information.

DEVELOPMENTAL EDUCATION ASSESSMENT DAY
May 23, 2013

Students who scored a 17 or below on the English section and/or an 18 or below on the mathematics section of the ACT may participate in assessment testing to attempt to test out of their developmental education coursework. This service is provided to students free of cost and is offered once prior to each semester. Please note that this assessment applies to initial placement only. Continuing students who have taken a math or English course may not use this assessment to test out of courses.

Students are required to have a valid LSU Eunice ID number in order to take the test. As a result, students should have applied with the Office of Admissions and paid their application fee at least five business days prior to testing. Students will also be asked to present a photo ID in addition to their student ID number. Students need not pre-register for this test; instead, they should report to Manuel Hall (Room 207) according to the schedule below. Students may only take the test once as further attempts will not be recorded. Calculators may not be used on the numerical skills test but they may be used on the elementary algebra test.

REGISTRATION INSTRUCTIONS

1. Complete a Trial Schedule Worksheet and take it to your faculty advisor during the advising period.

2. Tell your advisor if you plan to graduate at the end of the semester. Advisors must enter this information into the computer. Students planning to graduate at the end of the summer term must complete an “Application for Degree” (http://web.lsue.edu/docs/studentrecords/app-deg.pdf) and pay appropriate diploma fees for sessions A & B by June 4, 2013 and session C by July 2, 2013.

3. Note to “new,” “re-entry,” and “transfer” students: prior to registering, you may need to go to the Office of Student Affairs and Enrollment Services (Acadian Center Room 112) if there is a problem with your immunization records. Students with outstanding debts will have to settle their accounts with the Business Office (Science Building Room 115) prior to registration.

4. After you select your classes via myLSUE, print out your “Course and Fee Statement” (fee statement) through myLSUE. No fee statements will be mailed to students. Students are advised to recheck their class schedule on myLSUE prior to the start of classes for any room or time changes.

5. Verify your “Course and Fee Statement” carefully for accuracy of information prior to paying your tuition fees.

6. If you need to request a fee deferment, go to the Business Office (Science Building Room 115).

7. Process your fee statement according to the dates and times listed above. You are not registered until your fee statement has been processed. Students not processing their fees by the published deadline will have their schedules canceled and must complete the late registration process if they wish to be registered.

REGISTRATION FEE PAYMENT PROCEDURE

Students selecting classes should clear their fees with the Business Office by going to their myLSUE account and pay their fees online or apply their financial aid. The student may choose to go to the Business Office located in the Science Building room 115 to complete fee payment by either cash (do not mail), check, money order, credit card, financial assistance, deferment, or fee exemption.

A student who has a fee statement with financial aid and/or scholarships listed may use the fee statement to financially clear their account up to the amount of aid listed. The aid must be awarded and applied on the fee statement. Students can go online to their myLSUE account under the pay fees tab and click on the apply aid button. Otherwise, students must present the signed permission statement to the Business Office during the fee payment period. If the aid listed does not cover the entire charges, the student must submit the difference to the Business Office for full financial clearance. ONLY an original fee statement and student’s signature are accepted (no copies or faxes). Credit card payments can be made online at my.lsue.edu or by telephone (337) 550-1262. Hours of operation are 8.00 am– 4.30 pm each day.

Students in need of a 50% deferment or who have unpaid debts to the University must first go to the Business Affairs Office. If the student completes the deferment, there will be a $25 processing fee. The deferment balance must be paid by July 3, 2013 or a $50 late charge will be assessed. ONLY the student can complete the deferment and it must be done in person. Students who have fee exemptions must pick up a fee exemption form at the Registrar’s Office and present it for fee payment.

All classes canceled by the University will be refunded at 100%. Students not receiving Title IV financial aid (any federal aid program) will be subject to the above schedule in determining the amount of refund if they resign.

**VII. myLSUE ONLINE REGISTRATION**
To use the myLSUE system for registration, you must have your user name and password. Current students should already have a copy of their user name and password. If you did not receive or misplaced this information, you can contact the Office of Information Technology (Community Education Building Room 204). Some form of photo identification (such as a student ID card or driver’s license) is required. All students must meet with an advisor prior to registering. Make an appointment to see your advisor as soon as possible to review your schedule and obtain clearance to register.

   Continuing Students: The time at which you can begin accessing the registration system is based on the total number of credit hours you have already earned, plus the credit hours in which you are currently enrolled. Your number of earned credit hours is listed in the statistical table at the bottom of your transcript available on your myLSUE page.

   Applicants (New, Re-entry, Transfer): The time at which you can begin accessing the registration system is listed as N/T/R students.

**REGISTRATION PRIORITY SCHEDULE**
Registration begins March 18, 2013 using the schedule below based on the credit hours a student has earned PLUS the hours in which he or she is currently enrolled. Students can use myLSUE to check their transcripts to see how many credit hours they have earned. Students will not be permitted to register before their allotted time.

FAQ
1. Who can take part in computer registration using the myLSUE system on the Internet?
   Current students and N/T/R students who have completed the application process will all be able to register over
   the internet using myLSUE. Before they can register, students must first meet with their faculty advisor to discuss
   scheduling and to receive clearance to register. Students use their student ID number to login on the myLSUE
   system on the Internet, and they use their password that was sent to them by the Admissions Office. If you need
   these numbers, please contact the Office of Information Technology (Community Education Building Room 204).

2. Will all N/T/R students be able to register by computer?
   To be able to register by computer, N/T/R students must have a current application on file and have complied with
   immunization requirements.

3. When can students register by computer?
   Students whose admission files are provisional or complete can take part in early registration. Current students
   can register beginning March 18, 2013 based on the number of earned college credit hours plus the hours for
   which the student is currently registered this Spring. Students can find out their number of earned credit hours
   using myLSUE to view their college transcript. The number of earned credit hours is included in a statistical table
   at the bottom of the transcript. If you try to access the system prior to the time listed in the schedule, the system
   will not allow you to register.

4. If my admission file is incomplete or I owe LSU Eunice money from a previous semester, will my registration be
   blocked?
   In most cases, the computer registration system will allow you to register if you are an applicant whose admission
   file is not yet complete. If you currently owe money to LSU Eunice, the computer registration system will not
   allow you to register. The system will tell you the type of hold placed on your registration. Contact LSU Eunice to
   clear up the problem with the appropriate office.

5. Once classes start, can I add or drop classes using the myLSUE registration system?
   Yes. You can use myLSUE to add or drop classes. The system will follow the deadlines published in this
   Registration Guide and in the LSU Eunice Catalog. After the published deadlines, you will not be able to add
   classes. You will still be able to use the system to drop classes. Before adding or dropping, you should consult
   with your advisor. Ultimately, it is your responsibility to make sure that your schedule meets your needs. Your
   schedule should fit the requirements of your curriculum, whether you are enrolled in an LSU Eunice program or
   you are taking courses that you will transfer to another college. When you drop classes, you should be aware of
   financial aid requirements for satisfactory progress. You may fail to meet those requirements if you do not
   complete a sufficient number of the courses in which you initially enrolled.

6. Can I resign from all of my classes using the myLSUE computer system?
   If it is prior to the first day of classes, yes; otherwise, you will need to report to the Registrar’s Office.
