***Web Course Finals will be given in the Health Technology Auditorium on a walk-in basis. Students are to go to the auditorium any time between 1 and 6:30 P.M. to take their final exam. Instructors will be on site to hand out and pick-up the finals when complete.**

Room Assignments: Final examinations will be administered in the rooms in which classes normally meet. The instructor will announce room assignments for group examinations.

CALL Examinations: Session A: Final Examinations due in professor's office October 16, 2009 by 4:30 CST. **Session B:** Final Examinations due in Professor's office December 11, 2009 by 4:30 CST.

Group examinations: Take precedence over regular examinations. If a student is registered for a course in which a group examination is being given, he/she must take the exam at the time of the group examination, regardless of the regular meeting time of that course.

Laboratories: Final examinations for laboratory sections will be administered by the instructor during the last meeting time of that course.

Evening Classes: Final examinations for off-campus and on-campus evening classes are scheduled for 6:45 P.M. to 8:45 P.M. Classes meeting multiple nights of the week will take the final exam on the first meeting night of that class. (e.g., Tuesday-Thursday classes will take the final on Tuesday night).

NOTE: Every effort has been made to establish a final examination schedule that prevents students from having more than one final exam at the same time. It is possible, however, that a few students will have more than one final scheduled at the same time of day. In that instance, they may petition their Division Head to have one of their final exams rescheduled. All final exams, however, must be completed by Saturday, December 15th unless an "I" grade has been: (i) requested by the student; (ii) authorized by the VCAA; and (iii) given by the instructor.
