

SPRING 2012 SEMESTER FINAL EXAM SCHEDULE

Monday, May 7 – Friday, May 11

ROOM ASSIGNMENTS: Final examinations will be administered in the rooms in which classes normally meet. For group examinations, the instructor will announce room assignments.

LABORATORIES and HPRE Activities: Final examinations for laboratory and HPRE activities sections will be administered by the instructor during the last meeting time of that course.

EVENING CLASSES (starting at 5 P.M. or later): Evening classes meeting more than once per week will take the final exam on the first meeting night of the week (e.g., Tuesday-Thursday classes will take the final on Tuesday night).

WEB COURSES: Students enrolled in web based courses will be given the final exam times by their instructors.

NOTE: Every effort has been made to establish a final examination schedule that prevents students from having more than one final exam at the same time. It is possible, however, that a few students will have more than one final scheduled at the same time of day. In that instance, they must petition their Division Head to have one of their final exams rescheduled. All final exams must be completed by Friday, May 11 unless an "I" grade has been: (i) requested by the student, **and** (ii) authorized by the Vice Chancellor for Academic Affairs, **and** (iii) given by the instructor.
