

How to Use the **INACTIVE** Periodicals List

This is a list of magazines and journals that the LeDoux Library no longer receives in PAPER. Even though the library is unable to have paper or microform copies of these, many are available online in various subscription databases the library provides access to. The **list** includes:

- **INACTIVE** subscription titles
- **Call numbers**
- **Holdings and Formats**
- **Online Accessibility**

Print copies are shelved in the book stacks according to their call numbers. Microfilm and microfiche editions are shelved in filing cabinets in the Science Reference Area.

If journals are titled by initials, the acronyms precede the other titles beginning with the same letter. For example:

ABCA

A.I.A

Abstracts ...

Acadian

The abbreviations for the formats in which you may find the periodicals indicate:

B = Bound volumes **F = Microfilm or Microfiche** **P = Paper issues**

The abbreviations for the various databases available from the Library are listed below:

MathSciNet	=	American Mathematical Society
PsycARTICLES	=	APA publications (EBSCO)
Bayou	=	Bayou State Periodicals List (provides index to Louisiana related publications.)

Some older periodicals are NOT indexed in online indexes and periodicals. However, older indexes are located on wall shelves on the second floor of the library.

Periodicals do not leave the library, but articles may be photocopied for later use. Photocopies are 10¢ per page. The cost of printing is 10¢ per page or 3¢ per page when printed on the networked printer with your Swipe card.

This is NOT a list of ALL the databases subscribed to by the Library. If you want to see if the library has a particular item, please use the library's online catalog. The BEST place to find information about periodicals in the Library is the staff. Please feel free to ask for help at any time.
